

Make an appointment for a Covid-19 vaccination

If you wish to be vaccinated against Covid-19 you must first make an appointment.

To avoid queues, we do not offer a walk-in service.

Make an appointment

Via 1177.se

Go to the website 1177.se.

Click on Book or Cancel an appointment for a Covid-19 vaccination.

Follow the instructions.

You no longer require eID.

You can also call and make an appointment

Call 019-602 80 00 (appointments only)

It is **not** possible to call your medical centre or 1177 to make an appointment.

The number of appointment times available depends on access to vaccines.

New appointment times are made available continuously.
